Annie Dillard reflects that once you commit something of your
own life to written text, the act of writing and refining the
text-experience can overshadow the original exper IN the last
two weeks, I just tackled the task of committing the letters
of a 25 year friendship to a scripted presentation. I can't
really say I learned much from reading this, but it certainly
imbues one with an overall infectious enthusiasm for the
subject material--as well as for that of writing in general.
The result is a provocative dialogue that vividly examines the
expanding and innovative approaches to a literary form
practiced by some of our most prestigious authors.
