Seller Inventory P Today he works as a keynote speaker and presenter for a growing range of national and international clients and has co-authored two books on the business of Formula 1 as well as co-presenting the BBC World TV series 'Formula for Success'.

He successfully revitalised the British Touring Car Championship between 2000 and 2004. If you are not constantly improving, then you are going backwards both on the starting grid and in business today. This is a leadership book that articulates innovative design and system thinking needed to succeed in Formula 1 where split-second decision making, exceptional teamwork and continuous performance improvement are required. About Mark Jenkins.

While our business is operating in hospitals, the management insights provided in the third edition has been extensively updated, including a powerful new framework, 'The Performance Pyramid', recent interviews with leading figures in the industry, and a wide range of lessons for improved business practice.
