By fusing older anti-slavery arguments with the idea that slavery posed a threat to Northern free labor and democratic values, it enabled the Republicans to tap into the egalitarian outlook which lay at the heart of Northern society. The Alabama extremist William Lowndes Yancey 's demand for a federal slave code for the territories split the Democratic Party between North and South, which made the election of Lincoln possible. Evaluate the creation of a unique American identity ii.

Randall blamed the ineptitude of a "blundering generation" of leaders. Indiana Republicans insisted that there was a high correlation between education, religion, and hard work—the values of the "Protestant work ethic"—and Republican votes. Hundreds of thousands of petitions were sent, with the number reaching a peak in
