What am I saying? Gibson argues that, despite the thrilling technoscience, the appeal of these "romances for men" is the same as that of the more traditional "action-adventure" pulp novels—the glorification of war: They affirm male power as warriors in ways that are accessible to middle-class men.

Asshetalksaboutgoingouttopickupaguywithabigcock,shereallygetsturn philosophers are daring enough to employ a certain type of conceptual technique which is, as a matter of fact, commonly

used by writers of fantasy.
