Completed listings. She has now put her failed marriage to Jason Kane behind .

Shes could feel dust and leaf litter pressed into her cheek, and the ground still
She swung her arms down by her side and pushed herself up, swinging her feet into a sitting position. And yet there were people on Bubastis who believed it... Most archaeologists – including Professor Bernice Summerfield – know only two facts about Bubastis: one is that its cheerless swamps are home to five giant stone Cats, whose ancient origins are shrouded in mystery; the other that it has more bugs and beetles than anyone should ever have to deal . Series Bernice Summerfield. The plays deviate from the original novels, in terms of plot and characters, to varying degrees. TARDIS wiki should have you covered for most of them, and the Doctor Who reference guide has much more detailed summaries for at least the earlier

books which are the only ones that really matter for major continuity reasons.
