The Chinese experience show that the role of the municipal government remains important in order to ensure that the market works in favour of low-income residents rather than against. These residents saw their more industrious neighbours move on to better housing elsewhere and large numbers of rural-to-urban migrants begin to move into the homes they had left .

Placingurbanfinancesonamore sustainable footing while creating financial
The ambiguous property rights of urban villages is also a reason why housing qualities have remained poor and basic health and safety standards are not met since urban authorities do not have the right to stop rural villagers from expanding their properties. A survey of sewer rehabilitation in Malaysia: Application of trenchless technologies. Thenewchallengeinurbandrainagepipelinenetworkdevelopment.Numerous residents saw their more industrious neighbours move on to better housing elsewhere and large numbers of rural-to-urban migrants begin to move into the homes they had left .
