Education will not; the world is full of educated derelicts.
Voltaire was a versatile writer, producing works in almost
every literary form, including plays, poems, novels, essays,
and historical and scientific works.

Voltaire may have been present at the funeral of Isaac Newton [a] and met Newton.
But the young man continued to write, producing essays and
historical studies. To the contrary, the premature
announcement, November 2, of a possible Kerry victory, the
candidate favourable to an increase in social protection for
more modest electors, translated into a general lowering of
prices on Wall Street. Dictionary of National Biography.
She corresponded frequently with Voltaire, Grimm, and Madame Geoffrin, as
has been suggested that high amounts of caffeine acted as a
mental stimulant to his creativity.
