However, many atheists argue that treating morality legalistically involves a false analogy and that morality does not depend on a lawmaker in the same way that laws. Derrida, Certainly, in such a short post, there are a multitude of ambiguities! Specific conceptions. ArticleMedia. I see the damage that religion has done on many people close to me and I can only hope this book enters their lives. You, my fellow humans out there who know this is a hideous idea but cling to a Christian identity are fooling. The other thing that I found were a group of humans who helped to take down some of the walls I had about listening to and having conversations about spiritual topics.

Let me state this again: God commanded Moses to kill a man for gathering firewood. An atheist does not necessarily mean rejecting your roots, but rather considering which beliefs, if any, are worth absorbing. There is no reason why we should shy away from speaking freely about religion, no reason why it should be thought impolite to debate it, especially when, as so often happens, religious folk bring it up on their own and try to impose it on .
