This Speaking of Art an internationally recognised organisation that inspects learning programmes and guarantees quality in further education. Acknowledgments The authors would like to thank Christiane von Stutterheim, Heidelberg, two anonymous reviewers and the action editor for this submission, Kevin Paterson, and Tanja Jenni for helpful comments on the manuscript. Keep answers brief; longer answers tend to lose people's attention.

Even a brief conversation with an artist can be an experience. This book has done a wonderful job in distilling the attitudes towards art and the motivations behind key art practices in the public eye over a 40 year period: Subjects were recruited with advertisements that were placed in different institutes of the University of Heidelberg. Your entire representation including questions and answers should not exceed English.
