That ran counter to our core belief: Technology should benefit everybody. Coincidentally, I was attending a lecture at the University of Hertfordshire that very same week. Because the species that made it has long been extinct we may never quite know. By the way, I was not the slightest bit surprised in his comment and part of my reason for asking was to confirm if he took the establishment view. This New Years, I am more optimistic than ever about the future of the Church of our Lord Jesus and I am optimistic about your life and mine in the Kingdom of God, no matter what you may be facing. Your work is of the greatest importance to humanity. You should know that you gonna make it!
